

2017 KUNA PARK RANGER PROGRAM

The City of Kuna Parks Department announces the 4th annual Park Ranger Program for the kids in our community. The program will run from June 12th to August 5th. The kids will meet at 9:00 AM at the Bernie Fisher Park Band Shell and activities will be finished by 12:00 PM (unless otherwise specified). Field trips are incorporated in the program and permission forms will be sent home with the kids to be filled out and returned for each trip. If the form is not returned, the kids will not be allowed to go on the field trip. No exceptions. The program has been sectioned out by age group. The days and opportunities are set out as follows:

3rd - 5th Grades: There are 35 spots available. Children will meet in the park two times a week; **Mondays** and **Wednesdays**. They will participate in outdoor activities geared towards respecting the environment and community. The activities will range from learning about farms and gardening to historical and wildlife observation. They will learn the ins and outs of the park system from cleanup to caring for the trees.

6th - 8th Grades: There are 35 spots available. Children will meet in the park two times a week; **Tuesdays*** and **Thursdays**. They will participate in outdoor activities geared towards respecting the environment and community. The activities will range from learning about farms and gardening to historical and wildlife observation. They will learn the ins and outs of the park system from cleanup to caring for the trees.

* Weeks where a field trip is planned, we *may* have a combined trip to where this group will join the other on Wednesday and not meet on Tuesday that week.

9th - 12th Grades: There are several volunteer opportunities available to our teen community members. These opportunities will include activities along the same lines as the younger kids, but with stronger purpose and leadership. They will have the ability to choose projects for the groups and guide them to completion. This is a great chance for older teens to earn volunteer recognition for college applications and job resumes.

Please fill out the information below and submit it by April 21, 2017. You can either send it to Carlee Oswald at coswald@kunaaid.gov or drop it off at Kuna City Hall.
